Flyers Skate Zone is dedicated to the development of youth hockey. Our Future Flyers program is designed to provide opportunities for hockey players ages 6 and under to participate and have fun. The program provides participants on-ice instruction once a week in an effort to give the young hockey player an opportunity to learn the game in a fun, relaxed environment.

The focus of our Future Flyers program is fun and participation. Each week players are encouraged to develop their skills during practice and then demonstrate these skills in competitive situations during cross-ice scrimmage games.
